INTEGRATIVE DERMATOLOGY

Dear Patients and Friends

I'm reaching out today to let you know that Dr. Carter Hebel will be leaving Sheperd Integrative Dermatology effective October 14, 2026. We're grateful for the excellent care she's provided over the past year and wish her all the best as she returns to the Medical University of South Carolina to continue practice in South Carolina.

The choice of who provides your dermatological care is always yours.

Our team at Sheperd Integrative Dermatology has proudly provided medical and aesthetic care to our community since 2016. Together - myself, Ally, Amy, AnnaKathryn, Dana, Maddie, and Margaret - bring nearly 100 years of combined dermatology experience, spanning both routine and complex diagnoses as well as aesthetic care. We welcome the opportunity to remain your partners in health. If you choose to continue with Sheperd Integrative Dermatology, our provider team is working closely with Dr. Hebel to ensure each and every patient receives a smooth transition and continuity of care during this period of change.

Alternatively, if you choose to continue care with Dr. Hebel, you can access [Medical Record Request forms](#) on our website or [contact our team](#) for record transfer assistance.

If you have an appointment already scheduled with Dr. Hebel after October 14, our staff will reach out to reschedule with another Sheperd Integrative Dermatology provider. You're also welcome to call us directly at 843-216-3530.

Thank you for your continued trust and partnership.

Warmly,
McLean Sheperd, MD
